To Whom it May Concern:

Unified Services of Texas, Inc. (UST) was selected through a competitive sealed proposal process to replace three 80,000 gallon No. 2 diesel storage tanks with two new double wall 20,000 gallon tanks. During the course of this project, we found UST personnel to be very professional, productive, and cooperative. Their quality of work was excellent and completed in a timely manner. It was a pleasure working with this contractor and we recommend them for any of the services they provide.

Sincerely,

A handwritten signature in cursive script that reads "Christopher F. Miller".
